WHAT TẾT IS

TếT is the beginning of the Lunar New Year and is shortened for TếT Nguyên Đán meaning 'feast of the first morning of the first day'.

This is the time when everyone returns home to their families to relax, share foods and start to forget about the troubles of the past year hoping for a better year ahead.

We believe if good things come to the family on the first day of Tét, it will bring blessing to the following year.

ABOUT LINH

Linh is from Cam Lam, a small village in central Vietnam where she and her younger sister were raised by her 3 older brothers just after the War, when times were very challenging for their family and for the many to provide enough food to survive.

No matter how hard times were, the family always made sure they enjoyed a good meal together during TéT. Linh began to realise how important food is to our lives, to share meals with the people you love which brings us closer together and is why she wanted to pursue her dream in having her own restaurant.

When graduated from university, Linh worked for a seafood farm in Vietnam for 10 years before she arrived in the UK, where she learned to produce and breed lobsters, baby oysters, and prawns. The company became very successful and Linh was the driving force, enabling the company to distribute to the top hotels in and around southeast Asia where she could experience a vast amount of different Asian cultures and cuisines.

Now she has a new chapter in life, wanting to share her culture and cuisines, to make people happy and bring people closer together for the many hence the name TếT.
